+91 7697845380 | [Email](#) | [GitHub](#) | [LinkedIn](#) | [Portfolio](#)

Proficient in the MERN stack and experienced in creating multiple projects. Seeking an internship or full-time role as a web developer to utilize my problem-solving abilities and technical skills.

EDUCATION

CODING SHUTTLE

MERN - Full Stack Developer

October 2022- January 2023

JIWAJI UNIVERSITY

Bachelor of Science in Computer Science,
Percentage: 72%

Gwalior, MP

July 2017–March 2020

PERSONAL PROJECTS

COMIC LIBRARY (E-commerce)

January 2023

[Github](#) 

- This e-commerce platform offers a diverse selection of superhero comic books and Japanese manga. The platform also includes a shopping cart and checkout.
- The technologies used are **REACT** and **Strapi**.
- I have integrated **Stripe** as the payment gateway, providing customers with a reliable and trusted payment method.
- Made it responsive for a better user experience, as users can easily navigate the site and access its content on any device.

INSTAGRAM CLONE

January 2023

[Github](#)  | [Deployed](#) 

- Developed a full-stack Instagram clone web application using **REACT**, **NodeJs**, and **MongoDB**.
- Designed and implemented a feature-rich profile page that allows users to view and edit their profile information, see their posts, and follow other users.
- Implemented a like feature allowing users to express their appreciation on posts.
- Created comments feature on posts as well. Users can add their comments and can delete them as well.

WEATHER FORECAST

November 2022

[Github](#)  | [Deployed](#) 

- Designed and developed a weather forecasting application using **HTML**, **CSS**, and **JavaScript**.
- Used OpenWeatherMap API to provide accurate and up-to-date weather information for cities worldwide.
- Designed and optimized the application for different devices and screen sizes, ensuring a responsive and user-friendly experience.

ACHIEVEMENTS AND EXTRACURRICULAR

- Placed in the top 3 at the Coding Shuttle hackathon for creating a full-stack Instagram clone with comparable features.
- Served as a Teaching Assistant in the Coding Shuttle, successfully resolved technical issues, and guided batch mates, facilitating learning activities, and leading to a positive learning experience for all the members.
